In total 183 calls were received reporting either the above or making General enquiries.

The numbers may seem high, however they are this time over a two monthly period.

If you wish to receive Information and updates of events/incidents, sign up to North Yorkshire Community messenger either by visiting the NYP website or contact me, Donald.watson@northyorkshire.police.uk, providing your First name, Last name, House Number/Name, Postcode, Mobile number and email address and I will sign you up.

Stop Scams UK. If you think as a result of a phone call that someone is trying to trick you into handing over money or personal details – Stop, hang up and ring 159 to speak directly to your Bank. It works in the same way as 101 for the Police or 111for the NHS.

The Team will continue attending Parish/Council meetings and local Community Groups duties permitting.

PCSO 5232 Don Watson, PC 355 Heather Campbell, PCSO 5777 Sharon Diamond, PCSO 5550 Tracie Taylor-Page

Tell Commissioner Zoë how much you think should be invested in policing and fire and rescue services in North Yorkshire and York.

One of Zoë's roles, required by law, is to set the police and fire precepts – the amounts dedicated to policing and fire and rescue services in North Yorkshire and York from every household.

As part of her commitment to ensure everyone has the chance to have their say before the amounts are decided, she wants to know your views as part of a consultation.

She will then make her proposals to the Police, Fire and Crime Panel in February.

The survey is open until midnight Monday 21 January at

Horgora Farm Woodland

To whom it may concern,

I am writing to inform you about a woodland creation project that is planned to take place at Horgra Farm (SE 054919), approximately 0.8km northeast from Redmire (please see attached maps).

We are designing this woodland to be fully compliant with UK Forestry Standard protocol and are therefore considering all people or groups that are in close proximity to the site to have a vested interest in its use and be classified as stakeholders. As a stakeholder, we wish to inform you of the project and give you an opportunity to voice any concerns or questions that you may have. My contact details are as follows:

The project is still in its planning phases; however we are hoping to establish the site with mixed native broadleaves that are likely to provide valuable ecological habitats as well as numerous other benefits such as carbon sequestration and improved water catchment.

Woodland creation can be a long and arduous process; however we are hoping to plant trees in the winter of 2024. In the meantime, please do not hesitate to contact me if you have any queries or concerns about this project and how it may affect you.

Yours sincerely,

Rosie Kalkowski,

Project Manager
