The facility will accommodate services from both Friary and Harewood practices, with Harewood's services transferring in full. It will primarily serve military personnel, with out-of-hours services previously located at Harewood now being provided at this new site. Some Friary services will also relocate.

The facility is **70% funded by the Ministry of Defence (MoD), with 30% covered by the NHS**, specifically supporting Harewood practice services. It **will not include inpatient facilities.**
